

Before Your Test

Please make sure your hands are clean and void of any acrylic nails and nail polish.

Please wear a loose shirt.

In the case of extra services not in relation to sleep testing a small consultation fee may be charged.

Ensure you have a credit card for the refundable security deposit for the testing device.

After Your Test

Please return the testing device to the location you had your consultation the following morning before 11am.

Special Appointments

If the available consultation times are unsuitable, special consideration will be taken to ensure appointment alternatives.

Circumstances including but not limited to a disability limiting mobility, working through the open hours of 9am - 5pm weekdays, etc.
